

## ***Training Schedule***

Formation Renovation is a 6-day training scheduled over two consecutive weekends for the purpose of Christian spiritual transformation. It is currently hosted at Boise Bible College. Trainees do not stay on campus overnight. Lodging arrangements and recommendations can be discussed for out-of-town participants.

The coaches will schedule breaks and meals throughout the sessions. Times will vary as we are sensitive to the progress of the training. Because of this, break times are not listed on the schedule.

Lunches, dinners, and snacks will be provided at Boise Bible College. There will be no dinner on Fridays or the last Sunday. If you have special dietary needs, please let us know when registering.

More details about the training will be emailed to you upon registration. Please feel free to contact Renovation Ministries with any questions you may have as you prayerfully consider this opportunity.
