

Formation Renovation Registration Info

We are so glad that you are thinking about registering for Formation Renovation! We believe that this 6-day training has the potential to be one of the best investments you have ever made in your discipleship journey. Let's take a few moments to ensure that you know what it is that you would be committing to.

Formation Renovation is an experiential training program focused on the spiritual transformation of the Christ follower. It is intended for those who are grounded in their faith and who are (or desire to be) fully engaged apprentices of Jesus.

We refer to Formation Renovation as a training program because it will be rigorous and intense. The training itself will involve the teaching of concepts followed by exercises designed to reinforce those concepts. There will then be opportunities for personal reflection and response as well as interaction with others in various formats. We firmly believe that all meaningful growth happens in the context of community.

Our training is comprehensive, so we will address the mental, emotional, physical, spiritual, and relational aspects of your life. We will give you tools that you can use during and after the training. You will also be introduced to various time-tested practices, observed by Jesus and others throughout history, to assist you in your own transformation journey.

Before engaging in a training like this, we all set expectations. Our hope is that you will set the bar high and that you will come to Formation Renovation fully engaged, prepared to work hard, and ready for remarkable changes in your inmost being. We assure you that we will come prepared to give you our very best as we facilitate this training.

If you are ready to begin your journey, please complete this Registration Package according to the instructions found at the bottom of the Registration Form that follows. Once we have received your registration, we will send you a confirmation as well as additional details specific to the date and location of the training you have registered for.

Thank you for the trust you have placed in us and for the privilege of serving you at an upcoming Formation Renovation. If you have any questions at all, please feel free to contact us. We look forward to the honor of getting to know you.

Blessings,

Greg and Sharon Prosch - Formation Renovation Directors and Coaches
